- 2<sup>nd</sup> Draw for Nonresident waterfowl and nonresident youth waterfowl are now both open for applications. Deadline is August 4<sup>th</sup>.

---

### Aberdeen Area

#### Fishing Report

**Richmond Lake:** Anglers have been catching bluegill and crappie. Anglers been having best success during the morning and evening hours.

**Elm Lake:** Anglers have been catching walleye and northern pike. Anglers fishing from boats have had the best luck.

**Elm River:** Anglers have been catching walleye and northern pike. Anglers are mainly fishing below the dams because the water levels are low.

**James River:** Anglers have been catching some northern pike and catfish. Bow fishermen are having good luck shooting carp. **Anglers shooting carp need to pick up shot fish and dispose of them properly.** The water levels are low, making fishing difficult.

**Mina Lake:** Anglers struggled over the week due to hot weather. Anglers had some success catching walleye in the evening hours.

### Clark County

#### Fishing Report

**Dry 2:** Fishing is slow for walleye.

**Dry 1:** Fishing is slow for walleye.

**Indian Springs:** No Report.

**Reid:** Fishing is slow to fair for walleye.

**Swan:** No Report.

### Codington County

#### Fishing Report

**Goose:** Fishermen are primarily catching walleye from the boat, as the weeds make shore fishing difficult. The walleye continues to be 14 to 16 inches, with a few over 20 inches being caught as well.

**Kampeska:** Fishing continues to be slow, with fishermen still reporting a mixed bag being caught.

**Pelican Lake:** Fishermen are catching a few walleye and northern pike.

**Blythe Slough:** Little fishing pressure.

**Long Lake:** Little fishing pressure.

**Dry Lake:** Fishing continues to be slower, but fishermen are still finding a few walleye, northern pike and the occasional perch.

### Day County

#### Fishing Report

**Waubay:** Anglers continue to pick up a few walleye and perch here and there.

**Bitter:** Anglers are still having success with the walleye bite, although size seems to be smaller than previous weeks.

**Enemy Swim:** Anglers are having some success with bluegills and some smallmouth bass.

## Hamlin County

### Fishing Report

**Lake Poinsett:** Fishing has been a little tougher over the past week, but anglers are still catching a mixed bag of walleye, perch, crappie, northern pike and bass.

**Lake John/Mary:** Walleye bite is fair.

**Three Buck:** A few walleye and northern pike are being caught.

**Lake Albert:** Little to no activity.

**Clear Lake:** Small walleyes are being caught.

## Marshall County

### Fishing Report

**South Buffalo Lake:** Anglers are finding crappies, bluegill and northern pike with an occasional walleye.

**North Buffalo Lake:** Little to no activity.

**Piyas Lake:** Little to no activity.

**Opitz Lake:** Walleye bite is good.

**Cattail / Kettle Lake:** Activity is slowing due to a lot of vegetation.

**Clear Lake:** Good bass bite.

**Roy Lake:** Good bass bite.
