### **Team South Dakota Bound For 2022 National Hockey Tournament**

Sioux Falls – Team South Dakota Girls 14U, 16U & 19U National teams are preparing to depart for West Chester PA for the USA Hockey Tier II National Tournaments, being held March 30th to April 4th, 2022.

Team South Dakota 14U consists of 20 Girls from different communities across the state representing ALL 11 of SDAHA'S Affiliates. TSD 16U also has a full team of players showcasing 9 of our hockey communities and TSD 19U showcases an additional 19 young ladies from 8 of our communities. Players skate for their local hockey associations during the regular season, and then come together to form Team SD for qualification games and tournament play.

To qualify for nationals, these players participated with their teammates in over twenty games last fall and have now been practicing together again since early March.

Teams from 11 different states will compete in three rounds of pool play, with the top teams advancing to the championship rounds. The Tier II National Championships will be played Monday April 4th, 2022.

All three Team SD teams will hit the ice for their first games on Thursday, March 31st. The 16U Girls will open up the tournament with an 11 AM game against the Florida Alliance. At 1 PM the 19U Girls take on the Steel City Selects and the 14U Girls have an evening match up with the New Jersey Bandits at 5:15 PM.
